gaspar.veronika@pannondiak.hu

Are you looking for a student job where you can gain valuable experience, develop your skills and work with a supportive team? Join us and become part of a friendly, international community where learning, collaboration and new ideas are always welcome. Enjoy a modern office, flexible working opportunities and plenty of ways to grow while balancing work with your studies!

Tasks

- Support the accurate and timely valuation and settlement of physical oil and gas shipments
- Work closely with the Front Office and Commodity Risk teams to ensure smooth and accurate daily operations
- Help maintain strong control processes by identifying potential issues and contributing to practical solutions
- Identify opportunities to simplify, standardize and automate processes to improve team efficiency
- Assist in tracking and resolving pricing disputes, escalating issues when necessary
- Collaborate with the MIMA team to investigate and help resolve recurring issues
- Support the monthly and quarterly closing processes by coordinating with other teams
- Contribute to pricing-related projects and support their successful implementation
- Take part in cross-functional projects and collaborate with colleagues from different departments
- Share ideas for process improvements and help develop new ways to make the team’s work more efficient

Expectations

- You are currently studying at a Hungarian university and will have an active student status for at least 6 months after joining us
- You can work 20–25 hours per week based on an agreed schedule
- You have at least an intermediate level of English (B2)
- You are studying Economics or a related field and have completed at least your first year at university
- You enjoy working with numbers, analyzing data and finding solutions to problems
- You feel comfortable working both independently and as part of a team
- You have basic knowledge of MS Office, especially Excel and PowerPoint
- You are proactive, flexible and able to stay focused when things get busy or deadlines are approaching

Co offer

- Part-time position with a workload of 20 hours per week.
- Fully remote working opportunity.
- Gross hourly wage of **HUF 2,145.**
- A friendly and inclusive workplace where teamwork, celebrating achievements and having fun are all part of our culture
- A modern office with comfortable spaces to relax, connect and collaborate
- A student community with fun team-building events and opportunities to meet other interns
- The chance to join social communities and employee networks
- Learning and development opportunities, including LinkedIn Learning, to help you grow your skills and kick-start your career

- A company laptop and mobile phone to support your work
- Flexible working options, including the opportunity to work from home
- A supportive environment where you can learn, share ideas and make a real impact
